About me

Houssam El Issiou, a Moroccan 21 years old graduated from Fsjes Marrakech university, and achieved online certifications such as front end developpement from Sololearn academy and Google Ads certifications. About my behavior, I'm very motivated to apply what I gained from the knowledges and experiences in the fields of **Management and digital Marketing** to be more developed so that I can consistently achieve better results. I'm also a challenging **talented person** and I understand the importance of being interactive and enjoy communicating with other co-workers for the benefit of the company.
